

Network Community Noticeboard

YOUR NETWORK MEMBERSHIP ALREADY DELIVERS \$1,000s VALUE.

BUT WAIT, THERE'S STILL MORE!

COMING TO 2007...

- **Comprehensive CEC management system** – Let us manage your annual tally of CECs!
- **Upgrades to 'Certified Member' status** – Tell us what your qualifications are and you'll be upgraded to 'Certified Network Member' status, allowing you to opt in to a national directory of qualified and certified fitness professionals.
- **Consolidation and expansion of specialty publications** – Delivering you brand new, larger sized specialty publications! Coming at you twice yearly, they ensure you receive more pages of info than you used to!
- **Web based client management solutions** – Offering you online solutions to attract, manage and service potential and current clients via internet based communications. Ideal for facilities and PT businesses.
- **PT Solutions Network (for personal trainers only)** – Excellent and exclusive discounts from industry suppliers to help improve performance, operations and profit among PT businesses.
- **National reciprocal rights program (for Club Network members only)** – Encouraging clubs to accept visiting or transferring members from other facilities around the country.

Stay tuned for more info on these groundbreaking membership benefits or phone 02 8424 7200 to find out more!
