

DO YOU LOVE SPORT? OR HAVE A PASSION FOR FITNESS?

Turn your interest into an awesome career!

You can kickstart your career in the sport and fitness industries by completing a Certificate II in Sport and Recreation (SR020106)

HERE'S HOW IT WORKS:

- Certificate II in Sport and Recreation is a 18 month course which, after you pass, gives you up to 4 units towards your HSC.
- You study to a set study program, via correspondence, but you'll also spend 6 days at the Australian Fitness Network Training Institute in St Leonards or Parramatta, where you'll learn from the best sport and fitness teachers the industry has to offer.
- Once completed, you'll have the theory part of the Level 1 National Coach Accreditation course under your belt, plus you'll have a Senior First Aid qualification.
- After you finish, you'll be set up to take on a coaching or fitness qualification if you decide that you definitely want to pursue a career in sport or fitness.

Up to
4 units
towards
HSC

ENROLMENT FORM

Course Entry Requirements

Successful completion of Year 10 School Certificate.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) applies to formal training either in Australia or overseas that is similar to the program you want to study at the Australian Fitness Network. RPL also acknowledges skills and knowledge obtained through work experience and life experience.

Australian Fitness Network provides students with the opportunity to apply for RPL. RPL applications will be processed promptly and fairly.

Australian Fitness Network also recognises other Australian Quality Training Framework (AQTF) qualifications and Statements of Attainment awarded by other schools and colleges.

Cancellation and Refund Policy

All course cancellations must be in writing. Should you cancel at least 14 days prior to course commencement, any fees paid will be refunded. If you cancel within 7 days leading up to the course, all fees will be refunded minus an Admin Fee of \$125.00. No fees will be refunded once the course has commenced.

Appeals Procedure

You may request a failed assessment result to be reviewed within five working days of receipt of the result. Requests for review must be made in writing to the Training Manager.

Grievance and Student Complaint Policy

Our organisation ensures that students have access to a fair and equitable process for dealing with grievances and provides an avenue for students to appeal against decisions, which affect the students' progress. Every effort is made by our organisation to resolve student grievances.

For this purpose, our organisation has a grievance policy where a member of staff is identified to students as the reference for such matters. In addition, the grievance mechanism as a whole is made known to students at the time of enrolment.

Where a grievance cannot be resolved internally, our organisation advises students contact the VET Coordinator at the school or other appropriate legal body where they can seek further assistance.

Grievances will be documented, kept and acted upon by our staff.

Access and Equity

Australian Fitness Network is committed to integrating access and equity principles within all services that we provide to our students.

We recognise the rights of our students and provide information, advice, and support that are consistent with our core business values and this code of practice.

Regardless of cultural background, gender, sexuality, disability or age, students have the right to study in an environment that is free from discrimination and harassment and to be treated in a fair and considerate manner while they are working or studying with us.

Disciplinary Procedure

Students found acting outside the college's Code of Conduct may be disciplined by a staff member. Should the matter not be resolved you will be requested to meet with the Training Manager
